

About the Instructors

Frank and Sandy have been Round dancing for over 39 years. They started teaching others to dance in 2007 after Frank retired from teaching in the public school.

They live in Montoursville and are the proud parents of 3 children who have given them 7 wonderful grandchildren.

About the Classes

Round dancing is kin to Square Dancing in that there is a Cuedancer who tells the dancers the figures to do. The dancing uses International Ballroom figures and everyone does the same figure as they progress around the dance floor.
